

THINK BIG

SHARED VISION

As an important city centre neighbourhood surrounded by major developments, it is important the Market has a confident plan for its future. Together we have drafted a Shared Vision for the future of the Market area that we'd like you to help shape. It's about a sustainable place that is reconnected with the city. It's also about a population that is healthy, enterprising and creative.

What does the Market area mean to you?

Do you agree with the draft shared vision?

What kind of place would you like the Market to be in the future?

MARKET 2050

THE VISION

“ The Market is a **vibrant, close knit**

and **connected** city centre neighbourhood.

We build positively on our working class traditions

to contribute to a **creative, healthy, inclusive**

and **prosperous city.** ”
